

Jefferson Recess & School Clothing Guidelines

Living in Ohio requires adaptability to frequent weather changes. *We will go outside for recess every day that we can.* Should there be rain, wind, or snow, we watch the radar and thermometer and if there is no precipitation we will go outside, at least on the blacktop. We care about your child's health but also know that outdoor activity is crucial to a healthy lifestyle. Watch/Listen to local weather reports and help your child dress according to our guidelines below or also be prepared for delays and cancellations.
